RE: Estate of Paul Wayne Conley

Dear Mr. Spires:

We received notification recently that the above-mentioned estate has been placed on a delinquent listing for a hearing in the near future.

The above-mentioned estate was opened on July 29, 2021. A claim against the estate was filed by Ms. Diana Lee on August 20, 2021, in the amount of $25,351.69 for past due child support from the State of Ohio.

The executrix, Ms. Barbara Conley, objected to the claim and the estate was originally referred to Mr. James Turner on September 10, 2021. The estate was later referred to Mr. Robert Greer on October 11, 2022. When Mr. Greer closed his office, the estate was then referred to me on January 15, 2025.

The appraisement form was filed on October 28, 2021. The assets on the appraisement showed vehicles totaling $7,000, a checking account totaling $213.19 and real estate totaling $15,000.00/

After multiple phone conversations and letters by all three Fiduciary Commissioners, it was determined that the only asset remaining in the estate is real estate worth $15,000.00.

The claimant, Ms. Diana Lee, wishes to attach a lien or judgment against the property to secure some of her monies. To date, Ms. Lee has not been able to obtain an attorney to help her with this filing in Circuit Court.

This estate was originally placed on the delinquent list on December 18, 2024. This order was recorded on January 9, 2025. This estate was once again placed on the delinquent list on December 17, 2025. This order was recorded December 30, 2025.

Harrison County

While Ms. Lee certainly has filed a valid claim against the estate, we feel that it serves no viable purpose to keep the estate open any longer. There are no additional filings that can be made through the Harrison County Clerk's office. Any additional relief that Ms. Lee might be able to obtain can only be made through the Harrison County Circuit Court's office and the Circuit Court's office can obtain any copy of the recorded claim online. If Ms. Lee can obtain legal counsel, then they can pursue the matter through Circuit Court.

Therefore, we concur with the Harrison County Clerk's office that this estate should be allowed to close.

Sincerely,

James A. Varner

RE: Mary Lola Hardman Ryan

Dear Mr. Spires:

We received notification recently that the above-mentioned estate has been placed on a delinquent listing for a hearing in the near future.

The above-mentioned estate was opened on August 3, 2021, and was referred to Mr. James C. Turner, a Fiduciary Commissioner on January 4, 2022, due to the estate being over $200,000.00.

The estate was referred to Mr. Robert L. Greer on October 4, 2022, and upon the closing of his office, was referred to me on January 15, 2025.

After multiple phone conversations, notes in the file, calls to co-executor attorney, and letters by all three Fiduciary Commissioners, we have not been able to move this estate forward to closure.

Since the only remaining item to be distributed in the estate is a potential future sale of real estate, this can be done at a later date and the proceeds can be distributed to the four heirs, Mr. Claude Ryan, Heather Ribel, Gladys Davisson and Rosemary Woods, since the claims period has expired and there are no claims against the estate.

This estate was originally placed on the delinquent list on June 18, 2025. This order was recorded on July 8, 2025, in Book 130 at page 1269. This estate was once again placed on the delinquent list on December 17, 2025. This order was recorded December 30, 2025, in Book 131 at page 841.

I feel that it serves no viable purpose to keep the estate open any longer. If a Letter of Administration is needed at a later date, the estate can always be reopened.

Therefore, we concur with the Harrison County Clerk's office that this estate should be allowed to close.

I am responding to the letter in response to keeping the Estate of Donna J Hayes open.

I am requesting the Estate to remain open due to ongoing affairs. My mother is a beneficiary of another estate that is not yet resolved. Since I am the executor of my mother, Donna Jean Hayes, there will be checks written in her name in care of myself. Therefore Estate needs to remain open.

Thank you,
William T Hayes

229 S. Third Street
Clarksburg, WV 26301

Dear Ms. Pysz-Laulis,

The Stonewood Firefighter's Festival & the Stonewood Volunteer Fire Department is requesting $5,000 from the Harrison County Commission to support the Fourth Annual Stonewood Firefighter's Festival. In 2025, the event, which will benefit the SVFD, raised $42,000 for the department due, in part, to your support. This year we are planning a two-day festival for July 31 - August 2, 2026. The event will include fun zones, entertainment, ecumenical, and other activities for the entire family. Following is a list of events planned:

- Stonewood Firefighter's Pageant
- Carnival & Inflatable Games
- Craft Fair with local crafters
- Food Truck Alley
- Train Rides
- Musical Entertainment by local artists
- Unique family entertainment to include magicians and juggles
- ICS Sanctioned Chili Cook-off
    - Participants from the Mid-Atlantic States
- Five Alarm 5K
    - One hundred local runners
- Community Ecumenical Service & Potluck Lunch

As you can see, the planning committee has been hard at work designing the event structure and budget that will attract residents of Stonewood, local citizens from surrounding areas, and visitors from other parts of the state. We want to show our visitors the best of Stonewood, Harrison County and West Virginia, as we celebrate and honor our first responders.

As part of our fundraising program, we are seeking sponsorships from local citizens, businesses, civic organizations, and government agencies, including the Harrison County Commission. We are aware of the Commission's storied history in supporting local events and hope that Stonewood Volunteer Firefighter's Festival can be included. Please see the attached funding request from the committee seeking your support.

If you need additional information or have any questions, please contact Patrick Folio at (404) 459-4504 or pfolio@outlook.com.

Thank you for the opportunity to be considered for support by the Harrison County Commission.

GENERAL INSTRUCTIONS

An Exemption Certificate may be used only to claim exemption from tax upon a purchase of tangible personal property or services which will be used for an exempt purpose as stated on the front of this form.

A purchaser may file a blanket Exemption Certificate with the vendor to cover additional purchases of the same general type of property or service. However, each subsequent sales slip or purchase invoice evidencing a transaction covered by a blanket Exemption Certificate must show the purchaser's name, address and Business Registration Certificate Number for purposes of certification.

INSTRUCTIONS FOR PURCHASER

To purchase tangible personal property or services tax exempt, you must possess a valid Business Registration Certificate and you must properly complete this Exemption Certificate and present it to your supplier. To be properly completed, all entries on this Exemption Certificate must be filled in.

Your Business Registration Certificate (and any duplicates) may be suspended or revoked if you or someone acting on your behalf willfully issues this certificate for the purpose of making a tax exempt purchase of tangible personal property and/or services that is not used in a tax exempt manner (as stated on the front of this form).

When property or services are purchased tax exempt with an Exemption Certificate, but later used or consumed in a non exempt manner, the purchaser must pay Sales or Use Tax on the purchase price.

The willful issuance of a false or fraudulent Exemption Certificate with the intent to evade Sales or Use Tax is a misdemeanor.

Your misuse of this Certificate with intent to evade the Sales or Use Tax shall also result in your being subject to:

A penalty of fifty percent of the tax that would have been due had there not been a misuse of such certificate.

This is in addition to any other penalty imposed by the Law.

In the event you make false or fraudulent use of this Certificate with intent to evade the tax, you may be assessed for the tax at any time subsequent to such use.

INSTRUCTIONS FOR VENDOR

At the time the property is sold or the service is rendered, you must obtain from your customer this Certificate, properly completed, (or a Direct Pay Permit number issued by the West Virginia Department of Tax and Revenue), or the sale will be deemed a taxable sale, unless the property or service sold is exempt per se from Sales Tax. Your failure to collect tax on such taxable sale will make you personally liable for the tax, plus penalties and interest.

Additional information may be required to substantiate that the sale was for exempt purposes. In order for this Certificate to be properly completed, it must be issued by a purchaser who has a valid Business Registration Certificate and must have all entries completed by the purchaser.

A timely received certificate which contains a material deficiency will be considered satisfactory if such deficiency is subsequently corrected.

You must keep this certificate for at least three years after the due date of the last return to which it relates, or the date when such return was filed, if later.

You must maintain a reasonable method of associating a particular exempt sale to a customer with the Exemption Certificate you have on file for such customer.

INSTRUCTIONS FOR VENDOR AND PURCHASER

If you, as vendor or as a purchaser, engage in any business activity in West Virginia without possessing a valid Business Registration Certificate (and you do not clearly qualify for an exemption), you shall be subject to a penalty in an amount not exceeding $100 for the first day on which such sales or purchases are made, plus an amount not exceeding $100 for each subsequent day on which such sales or purchases are made.

Please begin using this Certificate immediately.

IN THE COUNTY COMMISSION OF HARRISON COUNTY, WEST VIRGIN

IN RE: THE ESTATE OF KRISTINA LOUISE KESLING
JOHNNY KESLING, ADMINISTRATOR

DATE OF DEATH: 05/15/2025

RECOMMENDATION OF FIDUCIARY COMMISSIONER

TO: THE COUNTY COMMISSION OF HARRISON COUNTY, WEST VIRGINIA:

The undersigned Fiduciary Commissioner respectfully reports unto the Commission that in accordance with the provisions of West Virginia Code § 44-2-6, a hearing was held on January 29, 2026, for the taking of evidence for and against a creditor claim filed against the Estate of Kristina Louise Kesling (the "Estate") by Linda Hall. Notice of the time and place for the hearing was timely served upon parties entitled to same. The hearing was attended by Johnny Kesling, in his capacity as Administrator of the Estate and individually, in person and by counsel, John Scott, Esq.; Linda Hall, pro se; and Olivia Barkley, pro se.

BACKGROUND

Kristina Louise Kesling (the "Decedent") died May 15, 2025. On May 16, 2025, Linda Hall ("Hall"), mother of the Decedent, entered into contracts (i) to purchase a burial plot at Grandview Memorial Park from Frank Yanero and (ii) to open and close the grave (i.e. the burial). On June 6, 2025, Johnny Kesling ("Kesling"), son of the Decedent, was appointed as the Administrator of the Estate. On June 17, 2025, Hall entered into a contract to purchase a grave marker for the Decedent's burial site. Hall filed a creditor claim against the Estate in the total amount of $8,169.93 with accompanying vouchers on July 9, 2025. The creditor claim was categorized as follows: (1) the

purchase of a burial plot in the amount of $1,500.00, (2) the burial costs in the amount of $2,109.94, and (3) the purchase of a grave marker in the amount of $4,559.99. Johnny Kesling ("Kesling") filed an objection to Linda Hall's claim on July 23, 2025. Kesling's written objection did not address to the costs of the burial plot or the burial. He specifically objected to Hall's purchase of a tombstone for the following reasons: (i) that "it was never brought to [his] attention by Linda Hall that she would be getting a tombstone after being aware [he] was the administrator; and (ii) that "[he] should have had a say in choosing a tombstone at a cost that we felt was reasonable."

FINDINGS OF FACT AND CONCLUSIONS OF LAW

During the January 29, 2026 hearing, Kesling orally disputed Hall's authority to bind the Estate to pay for all contracts (i.e. the burial plot, the burial, and the grave marker), positing that under contract law only the personal representative of an estate has legal authority to enter into contracts on behalf of the estate. Kesling further questioned whether the prices Hall agreed to were reasonable. It should be noted that West Virginia Code requires the person objecting to the claim of a creditor to file a counter affidavit, denying the claim in whole or in part. Because Kesling's written filing did not object to Hall's claims regarding the burial plot or the costs of the burial, the oral arguments against paying for those portions of the claim were not properly presented. Nevertheless, the analysis regarding the payment for the grave marker applies the same to all three parts of Hall's creditor claim.

West Virginia Code identifies reasonable funeral expenses as a preferred claim against a decedent's estate that must be paid out of estate assets in priority ahead of many other debts. See W. Va. Code § 44-2-21. West Virginia's creditor claim statute does not specifically define, or place

a restriction upon, who may present a claim for the payment of funeral expenses. Claims made for reasonable funeral expenses of a decedent may be presented by a funeral establishment, by a cemetery, or as in the case at hand, by a third-party creditor who advances payment for such expenses on behalf of an estate. Allowing third parties to advance funds for funeral expenses benefits an estate by allowing the funeral to proceed in a timely manner. From a public policy standpoint, the premise put forth by Kesling that only the personal representative of an estate may approve funeral arrangements and obligate the estate to pay the expenses thereof creates uncertainty, discouraging third parties from taking action. Similarly, under such a system, very few funeral providers or cemeteries would assume the risk of performing services until after a personal representative has been appointed for a decedent's estate. If no action can take place prior to the appointment of a personal representative, every estate will also become responsible for the additional cost of storing the bodies of the deceased until funeral services are performed.

Moving to the question of whether the contracts Hall entered were reasonable or not, the charges for services Hall agreed to for the burial plot and for the burial appear to be within industry standards. Hall testified that she received a range of choices for the grave marker and that she did not select an elaborate option. Hall's receipt confirms the grave marker selected was a 24x14 flat marker. Kesling presented no evidence of alternative options or competitive pricing which may support a conclusion that the price charged for the grave marker is unreasonable or disproportionate to the item received.

For the foregoing reasons, this Fiduciary Commissioner's opinion is that the contracts entered into by Hall for funeral expenses benefitted the Estate and the prices charge were reasonable

amounts. Therefore, the underlying debts evidenced by Hall's creditor claim are appropriate expenses for the Estate to bear.

Finally, the receipts and vouchers accompanying Hall's creditor claim show she paid for the burial plot in full ($1,500.00) and that the costs of the burial and the purchase of the grave marker were partially financed. The outstanding balances owed on those accounts have not been paid by Hall. In addition to the creditor claim, Hall produced supplemental vouchers, submitted for inclusion in the Commission's Estate File, proving she paid $1,443.30 towards the cost of the grave marker and $935.07 towards the cost of the burial. In total, Hall advanced the sum of $3,878.37 to the Estate.

RECOMMENDATION

Your Fiduciary Commissioner recommends that the County Commission allow Hall's creditor claim for reasonable funeral expenses as a debt of the Estate; that the Estate shall reimburse Hall the sum of $3,878.37; and that the outstanding balances due for the burial and the grave marker be paid from the Estate to Grandview Memorial Park.

Respectfully submitted this 25th day of February, 2026.
